

Dear Valued Customer,

The sudden drop in Oil prices over the last few weeks has brought about concern for everyone in our industry. We, at UVI/Chem Oil Products, would like to do our part in trying to offer assistance to our customer base. Beginning March 24, 2020, UVI/Chem Oil Products will be lowering our freight policy to \$1,000.00 on all our product groups, with the exception of our High Pressure Iron. We hope this will help you through this industry low. If there is anything more we can do, please feel free to contact me. Thank you very much for your continued support, it is greatly appreciated.

Sincerely,

Brent Ballard
