

Dear Valued Customer,

The sudden drop in Oil prices over the last few weeks has brought concern for everyone in our industry. We, at UVI/Chem Oil, would like to do our part in trying to offer assistance to our customer base. Beginning February 1<sup>st</sup>, 2015, UVI/Chem Oil will be lowering our freight policy by roughly 30 percent to \$2500.00 on all of our product groups, with the exception of our High Pressure Iron. We hope this will help each and every one of you through this industry low. If there is anything more we can do, please feel free to contact me. All opinions and advice will be taken into consideration. Thank you all for your continued support. We appreciate each and every one of you.

Sincerely,
